ABOUT US

The Wadihuda Group of Institutions, located in Kannur, Kerala, was established in 1980 with the admirable goals of advancing superior education and enhancing humanitarian services managed by the Ta'aleemul Islam Trust.

The wonderfully integrated curriculum that combines formal education and Islamic studies provides a high level of academic brilliance and instils moral values in our pupils is what distinguishes our school.

Ta'aleemul Islam Trust is a pioneer in the domains of services, education and socio-cultural activities. In many areas, our goals remain to be achieved. In order to accomplish this, we do need the support and encouragement of all of our well-wishers. We aspire for Wadihuda to be remembered in gilded characters throughout history.
