

## About us

Wadihuda Group of Institutions, Kerala, was established in 1980 with the noble aim of promoting high quality education and expanding social services. Managed under Ta'aleemul Islam Trust, Kerala.

What makes our institution unique is the beautifully blended syllabus, which integrates both formal education along with islamic studies providing a high degree of intellectual excellence and imparting moral values in our students.

Wadihuda Campus and Institutions nestle at Madayi, renowned for its serene beauty of nature. This calm and quiet hillock has set its marks in the history too. One of the first eleven mosques in Kerala established by Malik Bin Deenar is situated at Madayi. Asia's biggest naval academy (Ezhimala) lies in close proximity to the Campus.

Ta'aleemul Islam Trust stand ahead in the fields of education socio-cultural activities and services. Our dreams are yet to bear fruits in many fields. To fulfil these, we do need the support and encouragement from all our well wishers. We hope the very name WADIHUDA will be inscribed in golden letters in the history.
